

GET OFF YOUR ASSES, AUSTRALIA

OUR GOVERNMENT HAS LOST ITS MANDATE.

We want it back.

WHAT WE DEMAND

- 1 Independence.** A united Australia free of foreign entities directing our government — with full lobbying transparency and every treaty and agreement made public.
- 2 Swear to Australia — in public.** Every representative, diplomat and public servant to pledge allegiance to Australia and its people, out loud, and disclose every other allegiance.
- 3 A Royal Commission into AUKUS and defence strategy.** An independent review — to realign AUKUS to serve our own defence, to test our defence and logistics plans against sea-lane disruptions or blockades, and to ask how much sovereignty we've signed away.

BE SIMPSON.
